

IAEA Organises Free Dental Health Camp on 27 August 2026

The IAEA organised a free **Dental Health Camp on 27 August 2026** at the IAEA Office, benefiting nearly **100 stakeholders from the nearby areas of Anna Nagar and Sanjay Amar Colony.**

The participants availed themselves of valuable dental services and received important information and guidance on **dental care and oral health**. The camp provided an opportunity for participants to undergo basic dental check-ups and seek professional advice regarding common dental concerns and preventive care.

The initiative aimed to create greater awareness about the importance of **regular dental check-ups, proper oral hygiene, and timely treatment of dental problems**. Participants were also encouraged to follow healthy dental habits in their daily lives and to take necessary preventive measures for maintaining good oral health.

The camp was inaugurated by **Shri Suresh Khandelwal, General Secretary; Prof. L. Raja, President; and Prof. S. Y. Shah, Patron. Prof. Rajesh, Director I/c**, also extended his valuable support to the initiative.

The programme received an encouraging response from the local community, with participants appreciating the efforts of the IAEA in bringing essential health services closer to them. The camp also strengthened the IAEA's engagement with the surrounding communities and highlighted the importance of accessible healthcare initiatives.

The successful organisation of the camp reflected IAEA's commitment to **promoting community health awareness and accessible dental care**, while encouraging stakeholders to adopt better oral-health practices. Such initiatives contribute towards building a healthier and more health-conscious community.
